The AIP is not to be taken as an indication of the merits of the New Shares, the Share Plan 2017, the Company, and/or its subsidiaries. 3. THE SHARE PLAN 2017

3.1 Objectives of the Share Plan 2017

The Share Plan 2017 is intended to replace the Share Plan, which expired on 15 May 2017. The Share Plan 2017 is a share incentive plan that contemplates the award of fully paid Shares when and after pre-determined performance or service conditions are accomplished and/or due recognition should be given to any good work performance and/or any significant contributions to the Company.

The rationale for the Share Plan 2017 is to provide an opportunity for the Directors and full-time employees of the Group to participate in the equity of the Company so as to motivate them to greater dedication, loyalty, and a higher standard of performance, and to give recognition to employees of the Group who have contributed to the success of the Group. Participants are not required to pay for the grant of Awards, or for the Shares allotted or allocated pursuant to an Award.

The Share Plan 2017 is an integral part of employee incentive compensation in the Company's variable wage system. The Share Plan 2017 will give Participants an opportunity to have a direct interest in the value of the Shares and help to achieve the following objectives:

- (a) to foster an ownership culture within the Group which aligns the interests of Participants with the interests of Shareholders of the Company;
- (b) to motivate Participants to optimise their performance, efficiency and productivity by relating their total remuneration to the performance of the Company; and

LETTER TO SHAREHOLDERS

- (c) to make employee remuneration sufficiently competitive to recruit and retain key employees, including the Executive Directors and Executive Officers, whose contributions are important to the long-term growth and profitability of the Group.

The rules of the Share Plan 2017 are in compliance with the rules of the Listing Manual relating to share schemes.

3.2 Rationale for Participation of Controlling Shareholders and their Associates, and Non-Executive Directors

3.2.1 Participation of Controlling Shareholders and their Associates

An employee who is a Controlling Shareholder of the Company or an Associate of a Controlling Shareholder shall be eligible to participate in the Share Plan 2017 if (a) his participation in the Share Plan 2017, and (b) the actual number and terms of the Awards to be granted to him, have been approved by Independent Shareholders of the Company in separate resolutions for each such person. The relevant employee and his Associates are required to abstain from voting on, and (in the case of employees who are Directors) refrain from making any recommendation on, the resolutions in relation to the Share Plan 2017.

As at the Latest Practicable Date, Mr Low Weng Fatt is the only Controlling Shareholder of the Company. Nevertheless, it is the intention of the Company to extend the Share Plan 2017 to include Controlling Shareholders and their Associates who may arise in the future and who are (i) Group Directors, or (ii) confirmed full-time managers and those listed above them in the organisation charts of the Group, who are not less than 21 years old.

Pursuant to Rule 853 of the Listing Manual, the participation of Mr Low Weng Fatt, and such other Controlling Shareholders and their Associates who may arise in the future and who are eligible to participate in the Share Plan 2017 will need to be approved by Independent Shareholders in separate resolutions. A separate resolution must also be passed for the Grant of Awards to each of Mr Low Weng Fatt and such Controlling Shareholders and their Associates and to approve the actual number and terms of the Awards to be granted to such person.

It is the intention of the Company that employees who are Controlling Shareholders or Associates of Controlling Shareholders should be remunerated for their contribution to the Group on the same basis as other employees who are not Controlling Shareholders or their Associates. Although the Controlling Shareholders and their Associates already have shareholding interests in the Company, the extension of the Share Plan 2017 to allow the Controlling Shareholders and their Associates to participate in the Share Plan 2017, will ensure that they are equally entitled, with the other employees who are not Controlling Shareholders or their Associates, to take part and benefit from this system of remuneration. The Share Plan 2017 is intended to be part of a system of remuneration for employees, and the Company is of the view that employees who are Controlling Shareholders or

LETTER TO SHAREHOLDERS

Associates of Controlling Shareholders should not be unduly discriminated against by virtue only of their shareholding in the Company. The Company is also of the view that the extension of the Share Plan 2017 to Controlling Shareholders and their Associates will enhance the long-term commitment of the Controlling Shareholders and Associates to the Company as it will ensure that such Controlling Shareholders and Associates will continue to have a stake in the Company even if they decrease their shareholdings in the Company in the future.

We believe that the grant of Awards to Controlling Shareholders and their Associates will act as an additional incentive for the Controlling Shareholders and Associates who are Employees to improve their performance, as the value of the Awards will be best realised when the result of their performance correlates directly to higher values of the Shares.

The Directors are of the view that the participation in the Share Plan 2017 by the Controlling Shareholders and their Associates is in the best interests of the Company, as such Controlling Shareholders and their Associates are able to set the direction of the Company, define the objectives and roles of management, and influence decisions made by the Company, and thus stand in a unique position to contribute to the growth and prosperity of the Group.

It is proposed that Mr Low Weng Fatt (the Managing Director and CEO, and a Controlling Shareholder) be entitled to participate in the Share Plan 2017. The shareholding interest of Mr Low Weng Fatt in the issued share capital of the Company as at the Latest Practicable Date is set out in paragraph 4 of this Circular.

For the avoidance of doubt, Controlling Shareholders and their Associates who are not Employees will not be eligible for the Share Plan 2017.

3.2.2 Participation of Non-Executive Directors

Non-Executive Directors of the Group, including independent Directors, shall also be eligible to participate in the Share Plan 2017. Even though Non-Executive Directors are not employed by the Group, they work closely with the Group and/or are in the position to contribute their experience, knowledge, and expertise to the development and success of the Group. It is desirable for Non-Executive Directors to be allowed to participate in the Share Plan 2017, to recognise their services and contribution, and to further align their interests with those of the Group.

In order to minimise any possible conflicts of interest, and so as not to compromise the objectivity of independent members of the Board who may, in the future, be selected to participate in the Share Plan 2017, the Non-Executive Directors would primarily continue to be remunerated for their services by way of directors' fees. As the Share Plan 2017 does not specify a limit as to the amount of Shares to be comprised in Awards that may be granted to any Participant in a financial year, the Company will ensure that Awards that may be granted to Non-Executive Directors will be of token

LETTER TO SHAREHOLDERS

amounts which will not compromise their independence, as the number of Shares granted to them will not comprise (whether on an individual or collective basis) a significant portion of the Awards available under the Share Plan 2017.

The Committee when deciding on the selection of Non-Executive Directors to participate in the Share Plan 2017 and the number of Shares to be offered (in accordance with the Share Plan 2017) will take into consideration the nature and extent of their input, assistance and expertise rendered to the committees on which they sit and the impact thereof on the growth, success and development of the Company and the Group, as well as their involvement and commitment to the Board. A Non-Executive Director will abstain from making any recommendation as a Director and abstain from voting as a member of the Company when the Grant of Awards to him is being considered.

3.2.3 Participation of Mr Low Weng Fatt

Mr Low Weng Fatt is the Managing Director and CEO of the Company, and is responsible for the overall management, strategic planning and direction of the Group. Mr Low has been with the Group since 1996, when it operated as a partnership, and has played a pivotal role in steering the growth of the Group with his years of experience in the logistics industry. He has ably led the Group by exploiting its first mover advantage in meeting the growing specialist relocation needs of manufacturers and other businesses that use sophisticated and expensive machines and equipment in their operations locally and in this region, and building up a good track record and reputation for the Group.

He has in-depth knowledge of the needs of the business as it evolved over the years. His ability to anticipate business trends and demand has enabled the Group to offer the right type of material handling equipment and special conveyance vehicles to customers when they are needed. He also successfully implemented the strategy to develop the Group's capability to meet the total relocation needs of customers at competitive terms, with prompt, reliable and efficient service at all times, than merely providing labour for packing, stuffing, and unstuffing containers. The comprehensive range of services to meet all the customers' relocation logistics needs also enables the Group to replicate the services overseas, in particular, in the People's Republic of China, where similar capabilities are lacking. The range of services now available to the Group's customers includes the provision of repositioning services in the form of maintenance contracts where customers can call for the specialist services at short notice and at predetermined rates, as well as turnkey relocation projects in major manufacturing centres in this region, such as the People's Republic of China, Malaysia, Vietnam and Singapore.

Mr Low Weng Fatt plays an instrumental role in charting the Group's expansion and business development plans. The Directors are of the view that the remuneration package of Mr Low is fair given his contributions to the Group. The extension of the Share Plan 2017 to Mr Low is consistent with the Company's objectives to motivate its employees to achieve and maintain a high level of performance and contribution, which is vital to the success

LETTER TO SHAREHOLDERS

of the Company. Although Mr Low already has a shareholding interest in the Company, the extension of the Share Plan 2017 to him will ensure that he is equally entitled, with the other employees who are not Controlling Shareholders, to take part in and benefit from this system of remuneration, thereby enhancing his long term commitment to the Company. For the above reasons, the Directors believe that Mr Low deserves, and should be allowed to participate in the Share Plan 2017.

As at the Latest Practicable Date, Mr Low Weng Fatt holds an aggregate interest (both direct and indirect) of 13.96% in the Company. Although Mr Low Weng Fatt holds less than fifteen per cent (15%) (both directly and indirectly) of the total number of issued shares in the capital of the Company, Mr Low Weng Fatt is still considered a Controlling Shareholder under the Listing Manual due to the control he exercises over the Company by virtue of his position as Managing Director and CEO of the Company. Accordingly, under the Listing Manual, the specific grant of Awards to Mr Low Weng Fatt and any other Controlling Shareholders or their Associates will have to be approved by Independent Shareholders in general meetings in separate resolutions.

3.3 Limits of the Share Plan 2017

3.3.1 Limits on the size of the Share Plan 2017

The aggregate number of New Shares over which the Committee may grant Awards on any date, when added to the number of New Shares issued and issuable in respect of all Awards granted under the Share Plan 2017 and any other existing share schemes or share option schemes implemented or to be implemented by the Company, shall not exceed fifteen per cent (15%) of the issued share capital of the Company (excluding treasury shares and subsidiary holdings) on the day immediately preceding that date.

The number of existing Shares (excluding treasury shares and subsidiary holdings), which may be purchased from the market for delivery pursuant to the Release of Awards granted under the Share Plan 2017, will be subject to a limit of ten per cent (10%) of the fully paid Shares in issue. The number of existing Shares that may be repurchased and held by the Company as treasury shares for purposes of delivery pursuant to the Release of Awards granted under the Share Plan 2017 will be subject to such limits as may be prescribed under the mandate obtained by the Company from Shareholders (including any renewal of such mandate) for such repurchase.

3.3.2 Limits on the Awards under the Share Plan 2017

The eligibility of Employees to participate in the Share Plan 2017 and the number of Shares which are the subject of each Award at each Date of Grant to a Participant in accordance with the Share Plan 2017 shall be determined at the absolute discretion of the Committee, which shall take into account the performance of the Participant, and such other general criteria as the Committee may consider appropriate, subject to the following limits and other limitations set forth under the Listing Manual and the Rules:

- (a) Managing Director/CEO – up to 200,000 Shares per year;

LETTER TO SHAREHOLDERS

- (b) Executive Directors (other than the Managing Director/CEO) and Executive Officers – up to 150,000 Shares each per year;
- (c) Non-Executive Directors – up to 50,000 Shares each per year;
- (d) General Managers/Senior Managers – up to 100,000 Shares each per year; and
- (e) Managers – up to 50,000 Shares each per year.

In the event that there is a consolidation of Shares, the Committee may, in its absolute discretion, adjust the aforesaid limits in such manner as the Committee may determine to be appropriate.

The total number of Shares to be offered to Controlling Shareholders and their Associates shall not during the entire operation of the Share Plan 2017 exceed twenty-five per cent (25%) of the Shares available under the Share Plan 2017, and the total number of Shares to be offered to each Participant who is a Controlling Shareholder or his Associate shall not during the entire operation of the Share Plan 2017 exceed ten per cent (10%) of the Shares available under the Share Plan 2017.

In determining the number of Shares to be awarded each year, the Committee shall have reference to the Company's performance as reflected in the return on Shareholders' funds and the audited profit before tax of that financial year.

3.4 Summary of the Rules of the Share Plan 2017

The Share Plan 2017 has substantially the same rules as the Share Plan. For Shareholders' ease of reference, the Rules are set out below:

3.4.1 Eligibility

The following persons shall be eligible to participate in the Share Plan 2017 at the absolute discretion of the Committee:

- (a) all Group Directors;
- (b) all confirmed full-time managers and those listed above them in the organisation charts of the Group, who are not less than 21 years old; and
- (c) the Company's Controlling Shareholder, Mr Low Weng Fatt,

who, in the opinion of the Committee, have contributed to the success and the development of the Group, provided that for any Participants who are Non-Executive Directors, written justification shall first have been provided to Shareholders for their participation at the introduction of the Share Plan 2017, or prior to the first Grant to them.

LETTER TO SHAREHOLDERS

Persons who are Controlling Shareholders or their Associates shall not participate in the Share Plan 2017 unless:

- (i) written justification shall have been provided to Shareholders for their participation at the introduction of the Share Plan 2017 or prior to the first Grant to them;
- (ii) the actual number and terms of any Shares to be granted to them have been specifically approved by Independent Shareholders of the Company who are not beneficiaries of the Grant in a general meeting in separate resolutions for each such Controlling Shareholder or his Associates; and
- (iii) all conditions for their participation in the Share Plan 2017, as may be required by the regulations of the SGX-ST from time to time, are satisfied.

The Committee shall have absolute discretion to decide whether a person who is participating in the Share Plan 2017 shall be eligible to participate in any other share option scheme implemented by the Company or any other company within the Group.

3.4.2 Operation of the Share Plan 2017

Subject to the prevailing legislation and the Listing Manual, the Company will have the flexibility to deliver Shares to Participants upon the Vesting of their Awards by way of:

- (a) an issue of New Shares; and/or
- (b) the purchase of existing Shares.

In determining whether to issue New Shares and/or to purchase existing Shares for delivery to Participants upon vesting of their Awards, the Company will take into account factors such as (but not limited to) the number of Shares to be delivered, the prevailing market price of the Shares, and the financial effect on the Company of issuing New Shares or purchasing existing Shares.

3.4.3 Administration of the Share Plan 2017

The Share Plan 2017 shall be administered by the Committee with such discretion, powers and duties as are conferred on it by the Board. A member of the Committee shall not be involved in the deliberation of the Committee in respect of any Grants to him. In exercising its discretion, the Committee must act in accordance with any guidelines that may be provided by the Board. The Committee shall refer any matter not falling within the scope of its terms of reference to the Board. Shareholders who are eligible to participate in the Share Plan 2017 shall abstain from voting on any resolution relating to the Share Plan 2017.

LETTER TO SHAREHOLDERS

The Committee shall have the power, from time to time, to make and vary such arrangements, guidelines and/or regulations (not being inconsistent with the Share Plan 2017) for the implementation and administration of the Share Plan 2017, to give effect to the provisions of the Share Plan 2017 and/or to enhance the benefit of the Awards and the Released Awards to the Participants, as it may, in its absolute discretion, think fit.

Any decision of the Committee, made pursuant to any provision of the Share Plan 2017 (other than a matter to be certified by the Auditors), shall be final and binding (including any decisions pertaining to disputes as to the interpretation of the Share Plan 2017, or any rule, regulation, or procedure thereunder, or as to any rights under the Share Plan 2017).

3.4.4 Grant of Awards

Awards represent the right conferred by the Company on a Participant to be issued or transferred Shares in the Company, free of charge, in accordance with the Rules.

The Committee may grant Awards at any time, provided that in the event that an announcement on any matter involving unpublished price-sensitive information is made, Awards may only be granted after the second Market Day following the aforesaid announcement. Where the Grant to any Participant is subject to Shareholders' approval by a separate ordinary resolution for each Participant at a general meeting, the Committee shall grant such approved Awards within 30 days from the conclusion of the general meeting that approved the resolution.

The Committee shall decide, in relation to each Award:

- (a) the Participant;
- (b) the Date of Grant;
- (c) the number of Shares which are the subject of the Award; and
- (d) the Performance Period and the Performance Condition.

The offer of the Award shall be personal to the Participant to whom it is granted, and any Award granted and accepted by a Participant under the Share Plan 2017 shall not be transferred, charged, assigned, pledged or otherwise disposed of or encumbered in whole or in part unless approved by the Committee, but may be exercised by the Participant's duly appointed personal representative as provided in paragraph 3.4.7 in the event of the death of the Participant.

The Committee may, in the case of Awards, amend or waive the Vesting Period(s), the Performance Period, and/or the Performance Condition in respect of any Award:

- (i) if anything happens which causes the Committee to conclude that:

LETTER TO SHAREHOLDERS

- (aa) an amended Performance Condition would be a fairer measure of performance and would be no less difficult to satisfy; or
- (ab) the Performance Condition should be waived; or
- (ii) in the event of a general offer (whether conditional or unconditional) being made for all or any part of the Shares of the Company, or a scheme of arrangement or compromise between the Company and its Shareholders being sanctioned by the court under the Companies Act, or a proposal to liquidate or sell all or substantially all of the assets of the Company,

and in such event, the Committee shall notify the Participants of such amendment or waiver (but accidental omission to give notice to any Participant(s) shall not invalidate any such amendment or waiver).

Participants are not required to pay for the grant of Awards.

An Award or Released Award shall be personal to the Participant to whom it is granted, and no Award or Released Award or any rights thereunder shall be transferred, charged, assigned, pledged, mortgaged, encumbered or otherwise disposed of, in whole or in part, and if a Participant shall do, suffer or permit any such act or thing as a result of which he would or might be deprived of any rights under an Award or Released Award, that Award or Released Award shall immediately lapse.

3.4.5 Acceptance of Awards

The grant of an Award to a Participant shall be accepted by the Participant within 30 days from the Date of Grant. The Participant may accept or refuse the whole, but not part of the offer.

The Committee shall within 15 Market Days of receipt of the Acceptance Form acknowledge receipt thereof.

If the grant of an Award is not accepted by the Participant within 30 days from the Date of Grant, such offer shall automatically lapse upon the expiry of the 30-day period, and shall be null and void.

3.4.6 Release of Awards

Subject as provided in the Share Plan 2017, an Award shall be released, in accordance with any conditions that the Committee may, in its absolute discretion, specify in the Letter of Offer, subject to the following proportions and Vesting Periods:

- (a) after the first anniversary of Date of Grant: maximum of 40% of Award granted;
- (b) after the second anniversary of Date of Grant: maximum of 70% of Award granted; and
- (c) after the third anniversary of Date of Grant: 100% of Award granted.

LETTER TO SHAREHOLDERS

In relation to each Award, as soon as reasonably practicable after the end of the relevant Performance Period, the Committee shall review the report of the Managing Director and CEO of the Company on the job performance of the Participant concerned in respect of the Performance Condition specified in that Award and determine whether it has been satisfied and, if so, the extent to which it has been satisfied.

The current Performance Conditions proposed by the Committee are the net profit of the Group attributable to Shareholders, and the pre-determined performance or service condition to be achieved by specific Participant. The Committee has the right to amend the Performance Conditions if the Committee decides that it would be equitable to do so.

If the Committee determines in its sole discretion that the Performance Condition has not been satisfied, or if the Participant has not continued to be an Employee from the Date of Grant up to the end of the relevant Performance Period, that Award shall lapse and be of no value and shall be of no effect.

The Committee shall have the discretion to determine whether the Performance Condition has been satisfied (whether fully or partially) or exceeded and, in making any such determination, the Committee shall have the right to make computational adjustments to the audited results of the Company or the Group as the case may be, to take into account such factors as the Committee may determine to be relevant, including changes in accounting methods, taxes, and extraordinary events.

Subject to:

- (i) in relation to an Award, the Committee having determined that the Performance Condition has been satisfied;
- (ii) the relevant Participant having continued to be an Employee from the Date of Grant up to the end of the relevant Vesting Period;
- (iii) the Committee being of the opinion that the job performance of the relevant Participant has been satisfactory as reported by the Managing Director and CEO of the Company;
- (iv) such consents (including any approvals required by the SGX-ST) as may be necessary being obtained;
- (v) compliance with the terms of the Award, the Rules, and the Constitution;
- (vi) where New Shares are to be allotted and/or existing Shares (including treasury shares) are to be transferred on the Release of an Award, the Participant having a Securities Account with CDP, and compliance with the applicable requirements of CDP; and
- (vii) where New Shares are to be allotted on the Release of an Award, the Company being satisfied that the Shares which are the subject of the Released Award will be listed for quotation on the SGX-ST,

LETTER TO SHAREHOLDERS

upon the expiry of each Vesting Period in relation to an Award, the Company shall, on the Vesting Date, Release to the relevant Participant the Shares to which his Award relates.

For the avoidance of doubt, should the Committee reach a different conclusion from the Managing Director and CEO of the Company on the job performance of a Participant, the decision of the Committee shall prevail. The job performance of the Managing Director and CEO of the Company shall be assessed by the Committee (with the Managing Director and CEO of the Company to abstain).

Shares which are the subject of a Released Award shall be Vested to a Participant on the Vesting Date, which shall be a Market Day falling as soon as practicable after the review by the Committee, and on the Vesting Date, the Committee will procure the allotment of such New Shares and/or transfer of such existing Shares (including treasury shares) to each Participant of the number of Shares so determined in accordance with the Award.

Where New Shares are allotted upon the Vesting of any Award, the Company shall, as soon as practicable after such allotment, apply to the SGX-ST for the listing and quotation of such New Shares.

New Shares which are allotted and/or existing Shares (including treasury shares) which are transferred on the Release of an Award to a Participant shall be registered in the name of, or transferred to, CDP to the credit of the Securities Account of that Participant maintained with CDP, or the securities sub-account of that Participant maintained with a Depository Agent.

Upon the release of an Award, the New Shares allotted and issued, the existing Shares procured by the Company on behalf of Participants for transfer, and the treasury shares held by the Company for transfer, shall:

- (aa) be subject to all the provisions of the Constitution; and
- (ab) rank in full for all entitlements, including any dividends, rights, allotments by other distribution declared or recommended in respect of the then existing Shares, the Record Date of which is on or after the relevant Vesting Date, and subject as aforesaid, shall in all other respects rank *pari passu* with the other existing Shares then in issue.

3.4.7 Events prior to the Vesting Date

An Award to the extent not yet Released, shall forthwith become void and cease to have effect on the occurrence of any of the following events (and in such an event, the Participant shall have no claim whatsoever against the Company, the Directors or employees):

- (a) misconduct on the part of the Participant as determined by the Committee in its discretion;

LETTER TO SHAREHOLDERS

- (b) the Participant, for any reason whatsoever (whether by reason of wrongful dismissal or otherwise) ceases to be in the employment of the Group or in the event the company by which the Participant is employed ceases to be a company in the Group; and/or
- (c) the Participant commits any breach of any of the terms of his Awards.

The Awards shall be deemed not to have become void nor cease to have effect in accordance with the Share Plan 2017 if a Participant ceases to be employed before the Release by reason of:

- (i) death of the Participant;
- (ii) ill-health, injury, disability or accident (in each case evidenced to the satisfaction of the Committee);
- (iii) any other ground where the Release has been approved by the Committee in writing,

the Committee may waive the Vesting Period for all or any of the Awards not yet released to the Participant or his duly appointed representative(s) under any of the above stated circumstances.

In the event of a take-over offer (whether conditional or unconditional) being made for all or any part of the Shares of the Company, all Awards to the extent not yet Released shall be Released to all Participants and the Vesting Period waived so that they be entitled to exercise their rights under the take-over offer, on the date on which such take-over offer is made or, if such take-over offer is conditional, the date on which the take-over offer becomes or is declared unconditional, as the case may be.

If before the Vesting Date, any of the following occurs:

- (aa) a Participant does or suffers any act or thing whereby he would or might be deprived of the legal or beneficial ownership of his Award;
- (ab) a Participant commits an act of bankruptcy or is subject to a petition for bankruptcy;
- (ac) a scheme of arrangement or compromise between the Company and its Shareholders is sanctioned by the court under the Companies Act;
- (ad) an order for the compulsory winding up of the Company is made; or
- (ae) a resolution for a voluntary winding up (other than for amalgamation or reconstruction) of the Company is made,

the Committee may consider, at its discretion, whether or not to release any Award. If the Committee decides to release any Award, then in determining the number of Shares to be Vested in respect of such Award, the Committee will have regard to the proportion of the Vesting Period(s) that has elapsed, and the extent to which the Performance Condition (if any) has been satisfied.

LETTER TO SHAREHOLDERS

Where Awards are released, the Committee will, as soon as practicable after Awards have been released, procure the allotment of such New Shares and/or transfer of such existing Shares (including treasury shares) to each Participant of the number of Shares so determined in accordance with such Award, such allotment and/or transfer to be made in accordance with the Share Plan 2017.

3.4.8 Duration of the Share Plan 2017

The Share Plan 2017 shall continue to be in force at the discretion of the Committee, subject to a maximum period of 10 years commencing on the Effective Date of the Share Plan 2017, provided always that the Share Plan 2017 may continue beyond the above stipulated period with the approval of Shareholders by ordinary resolution in general meeting and any relevant authorities which may then be required.

The termination of the Share Plan 2017 shall not affect Awards which have been granted and accepted as provided in the Share Plan 2017 whether such Awards have been Released (whether fully or partially) or not.

3.4.9 Adjustment Events

If a variation in the issued ordinary share capital of the Company (whether by way of a capitalisation of profits or reserves or rights issue, reduction, subdivision, consolidation, or distribution, or otherwise howsoever) shall take place, then:

- (a) the class and/or the number of Shares which are the subject of an Award to the extent not yet Vested and the rights attached thereto; and/or
- (b) the class and/or the maximum number of Shares over which Awards may be granted under the Share Plan 2017,

may be adjusted at the option of the Committee, and in such manner as the Committee may determine to be appropriate.

No adjustment shall be made if, as a result the Participant receives a benefit that a Shareholder does not receive, and any adjustment (except in relation to a capitalisation issue) must be confirmed in writing by the Auditors (acting only as experts and not as arbitrators) to be in their opinion, fair and reasonable.

The issue of securities as consideration for an acquisition or a private placement of securities or the cancellation of issued Shares purchased or acquired by the Company by way of a market purchase of such Shares undertaken by the Company on the SGX-ST during the period when a share purchase mandate granted by Shareholders (including any renewal of such mandate) is in force shall not normally be regarded as a circumstance requiring adjustment, unless the Committee considers an adjustment to be appropriate, having regard, in the case of the issue of securities as consideration for an acquisition or a private placement of securities, the

LETTER TO SHAREHOLDERS

number of Shares issued and the applicable subscription price and, in the case of market purchases of Shares undertaken by the Company on the SGX-ST, the number of Shares repurchased and the applicable purchase price.

When any adjustment has to be made pursuant to the Share Plan 2017, the Company shall notify the Participant (or his duly appointed personal representative(s), where applicable) in writing and deliver to him (or his duly appointed personal representative(s), where applicable) a statement setting forth the class and number of New Shares and/or existing Shares (including treasury shares) thereafter to be issued or transferred respectively on the Vesting, and the date on which any adjustment shall take effect.

The Committee may, in any circumstances where it considers that no adjustment should be made or that it should take effect on a different date or that an adjustment should be made notwithstanding that no adjustment is required under the said provisions (as the case may be), request the Auditors to consider whether for any reasons whatsoever the adjustment or the absence of an adjustment is appropriate or inappropriate as the case may be, and, after such consideration, no adjustment shall take place or the adjustment shall be modified or nullified or an adjustment made (instead of no adjustment made) in such manner and on such date as shall be considered by such Auditors (acting only as experts and not as arbitrators) to be in their opinion appropriate.

3.4.10 Modifications to the Share Plan 2017

Any or all of the provisions of the Share Plan 2017 may be modified and/or altered at any time and from time to time by resolution of the Board on the recommendation of the Committee, save that:

- (a) any modification or alteration which materially and adversely alters the rights attaching to any Award granted prior to such modification or alteration may only be made with the consent in writing of such number of Participants who, if the Awards were released to them upon the expiry of all the Vesting Periods applicable to the Awards, would together hold not less than three-quarters ($\frac{3}{4}$) in aggregate number of Shares which would fall to be Vested upon the Release of all outstanding Awards held by all Participants who respond to the Company's request for such consent within 21 days of the Company's despatch of the request; and
- (b) any modification or alteration which would be to the advantage of the Participants under the Share Plan 2017 shall be subject to the prior approval of Shareholders in general meeting.

The opinion of the Committee, as to whether any modification or alteration would materially and adversely alter the rights attaching to any Award or be to the advantage of the Participants, shall be final and conclusive.

LETTER TO SHAREHOLDERS

The Committee may at any time by resolution (and without other formality or approval of the Participants, save for the prior approval of the SGX-ST) amend or alter the Share Plan 2017 in any way to the extent necessary to cause the Share Plan 2017 to comply with any statutory provision or the regulations of any regulatory or other relevant authority or body (including the SGX-ST).

Written notice of any modification or alteration made in accordance with the Share Plan 2017 shall be given to all Participants but accidental omission to give notice to any Participant(s) shall not invalidate any such modifications or alterations.

3.4.11 Disclosure in the Annual Report

The Company shall make such disclosures in its annual report for so long as the Share Plan 2017 continues in operation as from time to time required by the Listing Manual, including the following (where applicable):

- (a) the names of the members of the Committee;
- (b) the information in the table below for the following Participants:
 - (i) Participants who are Directors;
 - (ii) Participants who are Controlling Shareholders, and their Associates (where applicable); and
 - (iii) Participants other than those in (i) and (ii) above, who have been granted Awards under the Share Plan 2017 which, in aggregate, represent five per cent (5%) or more of the aggregate of:
 - (1) the total number of new Shares available under the Share Plan 2017; and
 - (2) the total number of existing Shares delivered pursuant to Awards vested under the Share Plan 2017,

Name of Participant	Awards granted during financial year under review	Aggregate Awards granted since commencement of the Share Plan 2017 to end of financial year under review	Aggregate Awards vested since commencement of the Share Plan 2017 to end of financial year under review	Aggregate Awards outstanding as at end of financial year under review

- (c) in relation to the Share Plan 2017, the following particulars:
 - (1) the aggregate number of Shares comprised in Awards granted under the Share Plan 2017 since the commencement of the Share Plan 2017 to the end of the financial year under review;

LETTER TO SHAREHOLDERS

- (2) the aggregate number of Shares comprised in Awards which have vested under the Share Plan 2017 since commencement of the Share Plan 2017 to the end of the financial year under review;
- (3) the aggregate number of Shares comprised in Awards granted under the Share Plan 2017 which are cancelled since commencement of the Share Plan 2017 to the end of the financial year under review; and
- (4) the aggregate number of Shares comprised in Awards granted under the Share Plan 2017 which are outstanding as at the end of the financial year under review.

3.5 Financial Effects of the Share Plan 2017

3.5.1 Cost of Awards

As Participants are not required to pay for the Grants, such Grants will have a financial effect on the Company.

Financial Reporting Standards 102 (“**FRS102**”) requires the recognition of an expense in respect of Awards granted under the Share Plan 2017. The expenses will be based on the fair value of the Awards at the Date of Grant, and will be recognised over the expected Vesting Period. However, no expense will ultimately be recognised for any Awards granted that do not Vest because of failure to satisfy the vesting conditions.

In accordance with FRS102, paragraph 15, the Company shall account for the Grant during the Vesting Period, with a corresponding increase in equity. Per FRS102, paragraph 19, on a cumulative basis, no amount is recognised for services received if the equity instruments granted do not Vest because of failure to satisfy a vesting condition. Also, per FRS102, paragraph 20, the Company shall recognise an amount for the services received during the Vesting Period based on the best available estimate of the number of equity instruments expected to Vest and shall revise that estimate, if necessary. Therefore, the Grant is recognised to income statement over the expected Vesting Period. If an employee leaves before the end of the Vesting Period, the Company should revise the estimated number of equity instruments expected to Vest.

3.5.2 Share Capital

The Share Plan 2017 will result in an increase in the Company’s issued share capital only if New Shares are issued to Participants. The number of New Shares issued will depend on, *inter alia*, the size of the Awards granted under the Share Plan 2017. However, if existing Shares are purchased for delivery to Participants in lieu of issuing New Shares to Participants, the Share Plan 2017 will have no impact on the Company’s issued share capital.

LETTER TO SHAREHOLDERS

3.5.3 NTA

As described in paragraph 3.5.4 below, the Share Plan 2017 will result in a charge to the profit and loss accounts of the Company and the Group, and such charge will be equal to the market value at which the New Shares are issued or at which the existing Shares are purchased to meet delivery under the Awards. If New Shares are issued under the Share Plan 2017, the NTA of the Company and the Group would decrease by the amount charged. If existing Shares are purchased for delivery to Participants, the NTA of the Group and the Company would decrease by the amount charged.

Although the Share Plan 2017 will result in a charge to the profit and loss accounts of the Company and the Group, it should be noted that the Awards are granted only on a selective basis, and only will be granted to Participants whom the Committee believes would have contributed, or will contribute, significant value to the success of the Company, including its financial performance. In particular, the Grant and delivery of Shares to Participants of the Share Plan 2017 are contingent on the Participants meeting the prescribed Performance Conditions. Therefore, Participants would have contributed to, or will contribute, significant value to the Company and the Group before the Awards are granted and the Shares are delivered to them.

3.5.4 EPS

The Share Plan 2017 will result in a charge to earnings, which will be equivalent to the market value at which the existing Shares are purchased, or the market value on the date at which New Shares are issued under the Awards.

Although the Share Plan 2017 will have a dilutive impact (to the extent that New Shares are issued pursuant to the Share Plan 2017) on the EPS of the Company and the Group, the delivery of Shares to Participants in respect of Awards granted under the Share Plan 2017 is contingent upon the Participants meeting the prescribed Performance Conditions. Accordingly, the earnings of the Company and the Group would have grown before the Awards are granted and Shares delivered to the Participants.

3.5.5 Dilutive Impact

It is expected that any dilutive impact of the Share Plan 2017 on the NTA and the EPS would not be significant.
