MEDIA RELEASE – FOR IMMEDIATE RELEASE

Chasen awarded Certificate of Excellence for the “Best Investor Relations Award 2011” in the SGX Catalist Company category

- The award was presented by IR Magazines and counts Singapore Stock Exchange as one of the sponsors
- Accolade serves as a strong encouragement for Chasen to maintain, or even, surpass current IR activities

SINGAPORE – 7 December 2011 – Chasen Holdings Limited (“Chasen” or “the Group”), a SGX Catalist-listed diversified investment holding company specializing in relocation solutions for sophisticated machinery and equipment with complementary logistics, technical and engineering service capabilities, is delighted to inform that the Group has been awarded the Certificate of Excellence in “Best Investor Relations by an SGX Catalist Company” at the IR Magazine South East Asia Awards 2011.

This award was presented by IR Magazine at its IR Magazine South East Asia Conference and Awards 2011 luncheon on 6th December 2011. The award sponsors include Singapore Stock Exchange (“SGX”), BNY Mellon, the Investor Relations Professionals Association Singapore (“IRPAS”) and the Wall Street Journal.

This recognition acts as a strong encouragement for the Group to enhance its current investor relations activities. Chasen has dedicated effort in practicing good corporate governance and maintaining a high standard of corporate transparency and disclosure. Apart from timely announcements on corporate or financial updates on the SGX, the Group also hosts quarterly results briefings, detailing the operational highlights and business outlook for the investment community.

Chasen also engages the investing community by speaking to the financial media, having group/one-on-one meetings with institutional and retail investors, and by participating in road shows organized by various brokerage houses.

“We are honored to receive such distinct recognition from IR Magazines and are definitely encouraged to maintain, or even, surpass our current standards. I will like to take this opportunity to reassure all our shareholders and the investing community that Chasen remains committed to providing timely updates on the Group’s operations with detailed disclosure. This award reiterates our commitment and we would like to thank IR Magazine and all of those who nominated Chasen for this accolade.”

Low Weng Fatt, Managing Director

About IR Magazine South East Asia Conference and Awards 2011

This annual event honors the South East Asian companies and individuals doing the best job of communicating with investors and analysts – in the opinion of those investors and analysts themselves. The award sponsors include Singapore Stock Exchange, BNY Mellon, Investor Relations Professionals Association Singapore, Kreab & Gavin Anderson, Nomura, Orient Capital, PR Newswire and The Wall Street Journal.

The winners of the awards are identified by an investor perception study which is being carried out this year by Mary Maude Research, the firm that does the research underlying IR magazine's US, Canada and Europe Awards. The research takes the form of hundreds of in-depth telephone interviews with individuals across Greater China and Singapore to find out not only which companies' IR those investment professionals rate most highly, but also why.

About Chasen Holdings Limited

Chasen is a sponsored Catalyst-listed investment holding company with subsidiaries in specialist relocation solutions, technical and engineering services and third-party logistics, including facilities for the packing and warehousing of sophisticated machinery and equipment for the region's manufacturing industries.

Headquartered in Singapore, Chasen serves industries such as wafer fabrication, TFT display panel production, chip testing & assembly, solar panel assembly, consumer electronics, telecommunications, marine and construction sectors in Singapore, Malaysia, Vietnam and China.

Its diversified revenue base and long-standing customer relationship provide a strong fundamental that would enable the Group to weather business cycles in specific industry. Its business model and growth strategy have positioned the Group to benefit from growth opportunities in the region and to increase the proportion of recurring income in Group revenue.
